

SET COURSE MENUS OF OPINIONS		
<p><u>Positively no substitutions or combinations please</u></p> <p><u>Each set course menu is all or nothing</u></p>		
Republican (or foreign equivalent) menu		Democratic (or foreign equivalent) menu
1	Trump is the greatest president ever	Trump is a horrific human being
2	Abortion is the murdering of unborn babies, which must be banned and criminalized as murder	Abortion should be the exclusive choice of women, in which no babies are murdered, since they are still unborn
3	Man-made Global Warming is a farce. Proponents must be excommunicated.	Man-made Global Warming is real and terrifying and will incinerate the planet. Deniers must be excommunicated.
4	The Universe and all species were created some time ago by a supernatural being for the enjoyment of man only, and can be altered at will to allow conservatives to build golf courses and rednecks to deface the wilderness	Irrespective of how they were created, Earth and species must be preserved to the utmost degree for tree huggers to enjoy

Common dishes	
5	Only the ideas and opinions that most please me from an aesthetic standpoint are truthful. Anyone who has the nerve to oppose me is a dangerous fool who must be incapacitated
6	My opinions are always the only correct ones, even if I know and understand close to nothing about the subject matters I vigorously argue
7	Extreme bad faith is not only acceptable but also highly recommended in political rhetoric
8	Everybody must pay tax, except me
9	My country has the exclusive right to the ' <i>America</i> ' moniker, despite America being a large continent which the United States shares with 38 other sovereign nations
10	Kings are synonymous with dictatorship, although most true democracies in the world plus a dozen sovereign foreign nations in the American continent are monarchies, and all dictatorships are republics
11	Despite the U.S. being by far the wealthiest and strongest country in the world, the whole world is abusing and taking advantage of me, especially the poor

12	It is only normal and natural that all foreigners are required to obtain a visa before they can enter the United States but United States citizens should have the absolute right to travel wherever they fancy without the inconvenience of a visa requirement
13	All the news outlets except those I exclusively read or watch are fake, dishonest, and prejudiced against me
14	My President is the Leader of the Free World, despite no one in the Free World outside the U.S. having ever elected him to office
15	Everybody should get an education before being authorized to utter an opinion, except me, since, like Adam, my knowledge is innate and science was in me infused
16	Although I secretly know I'm a dunce, I'm very touchy about the issue and I will prosecute you to the fullest extent of the law if you tell anyone
<p><i>Again, positively no substitutions or combinations. Each set course menu is all or nothing.</i></p> <p><i>NO ALTERNATE CHOICE</i></p>
