

QUESTIONS ABOUT ELECTION INTEGRITY

1	Are you of the opinion that there was widespread cheating in the 2020 elections?	Yes	No
2	Internationally, election cheating is always orchestrated by the incumbent. Do you believe the incumbent orchestrated cheating on a grand scale in the 2020 elections?	Yes	No
3	If so, how do you think he did it?		
4	Do you believe the challenger orchestrated cheating on a grand scale in the 2020 elections?	Yes	No
5	If so, how do you think he did it?		
6	Do you rather believe that if there was indeed cheating it was the feat of a multitude of individuals?	Yes	No
7	Would you say that if there was indeed cheating both parties were culpable, or only one party?	Both parties	One party
8	If you believe that only one party cheated, which one would you say was the culprit?	Democrats	Republicans
9	If you believe that only one party cheated, can you explain the rationale for one party to be 100% virtuous and the other wicked?		
10	Have you ever missed voting in an election?	Yes	No
11	If so, what was the reason :		
12	A. You thought none of the candidates was worth voting for	Yes	No
13	B. You did not think that your single vote, 1 out of 200 million, would make any difference.	Yes	No
14	If you answered "Yes" in lines 6 and 12, do you think an individual would risk severe punishment for cheating in an election in which none of the candidates was worth voting for?	Yes	No
15	If you answered "Yes" in lines 6 and 13, do you think an individual would risk severe punishment for cheating in an election in which he thought his single vote would not make any difference?	Yes	No

16	Would you agree that, internationally, the surest indicator that an election was rigged is when election results are significantly different from all pre-election polls?	Yes	No
17	If you answered "Democrats" in line 8, and "Yes" in line16, how do you explain that the party which lost in the election most of the significant advantage it had unanimously commanded in all pre-election polls was also the one that cheated?		
18	If you answered "Democrats" in line 8, how do you explain that if there was indeed cheating it did not affect down-ballot elections?		
19	Do you believe there was cheating in the extraordinarily scrutinized run-off senatorial elections in Georgia two months after the general election?	Yes	No
20	How do you explain that the extraordinarily scrutinized run-off senatorial elections in Georgia two months after the general election were won by Democrats?
