

To resolve irreconcilable differences, which option would some reasonable divorce mediator from Mars likely recommend?

Before the divorce

**Arab and Muslim countries in green
Israel in blue**

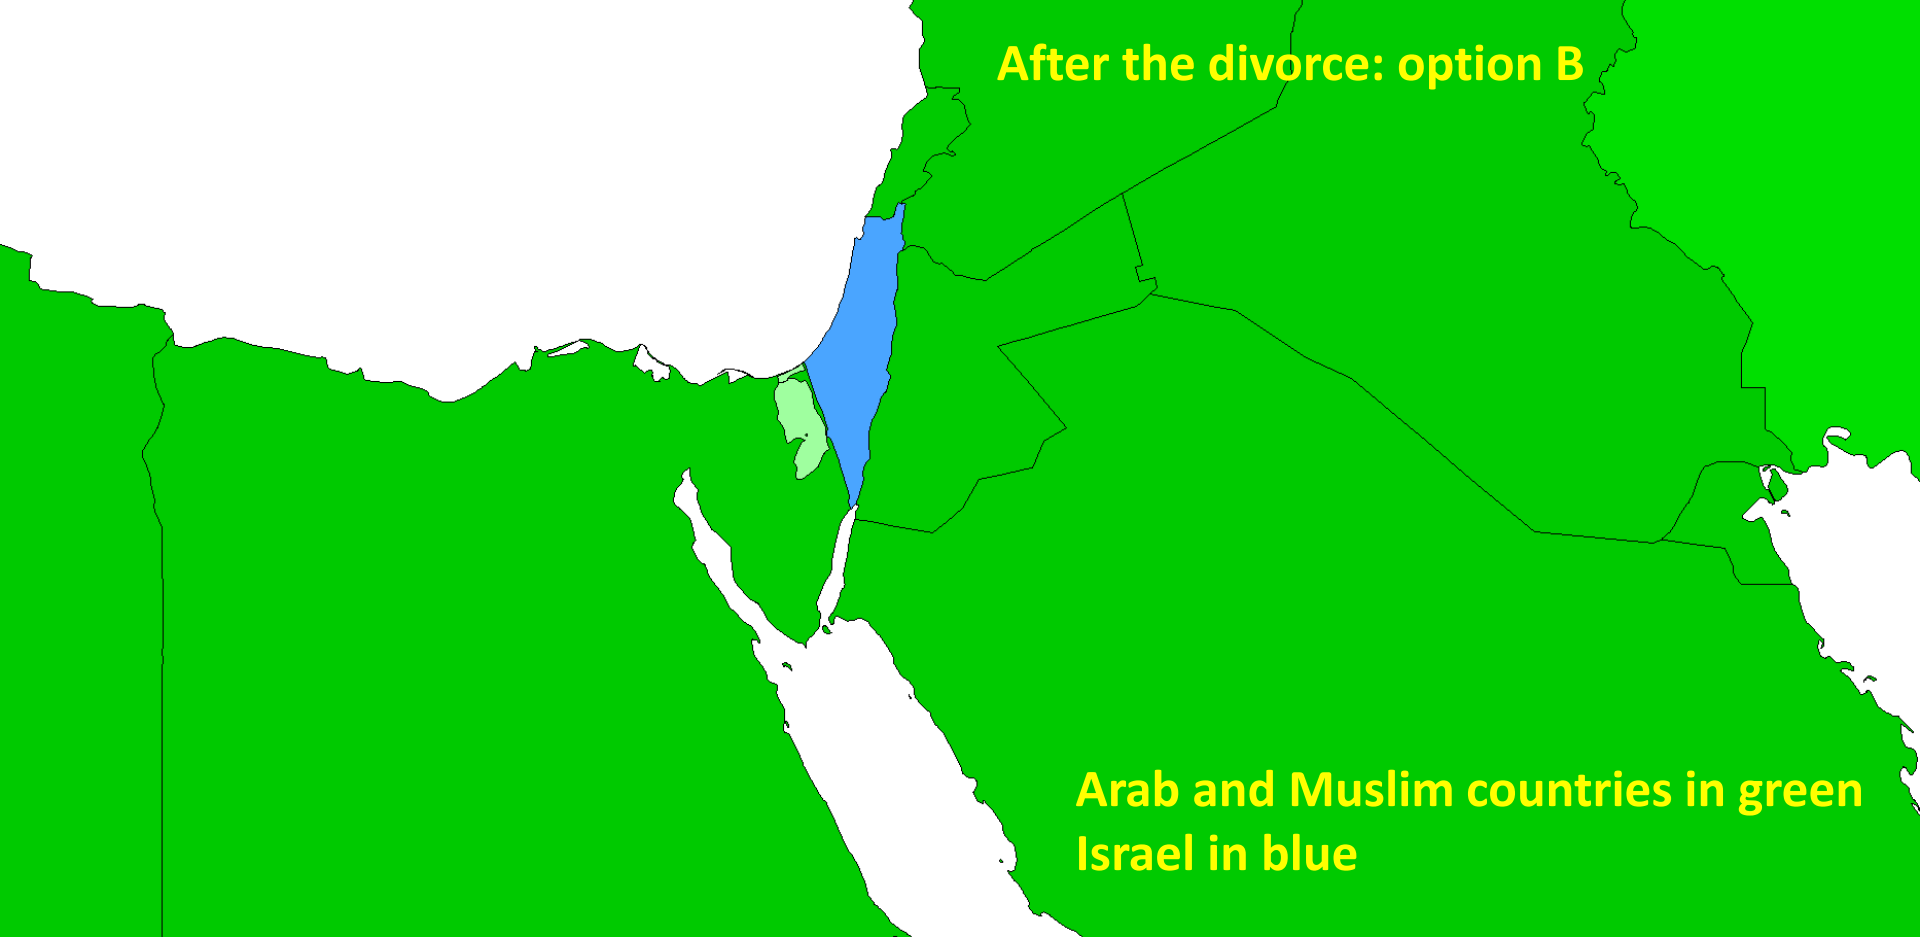

After the divorce: option A

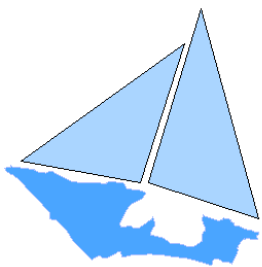

**Arab and Muslim countries in green
Israel in blue**

After the divorce: option B

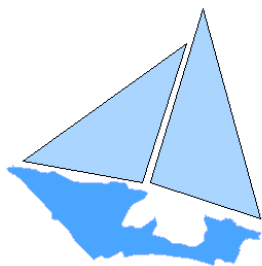

**Arab and Muslim countries in green
Israel in blue**

After the divorce: option C

**Arab and Muslim countries in green
Israel in blue**

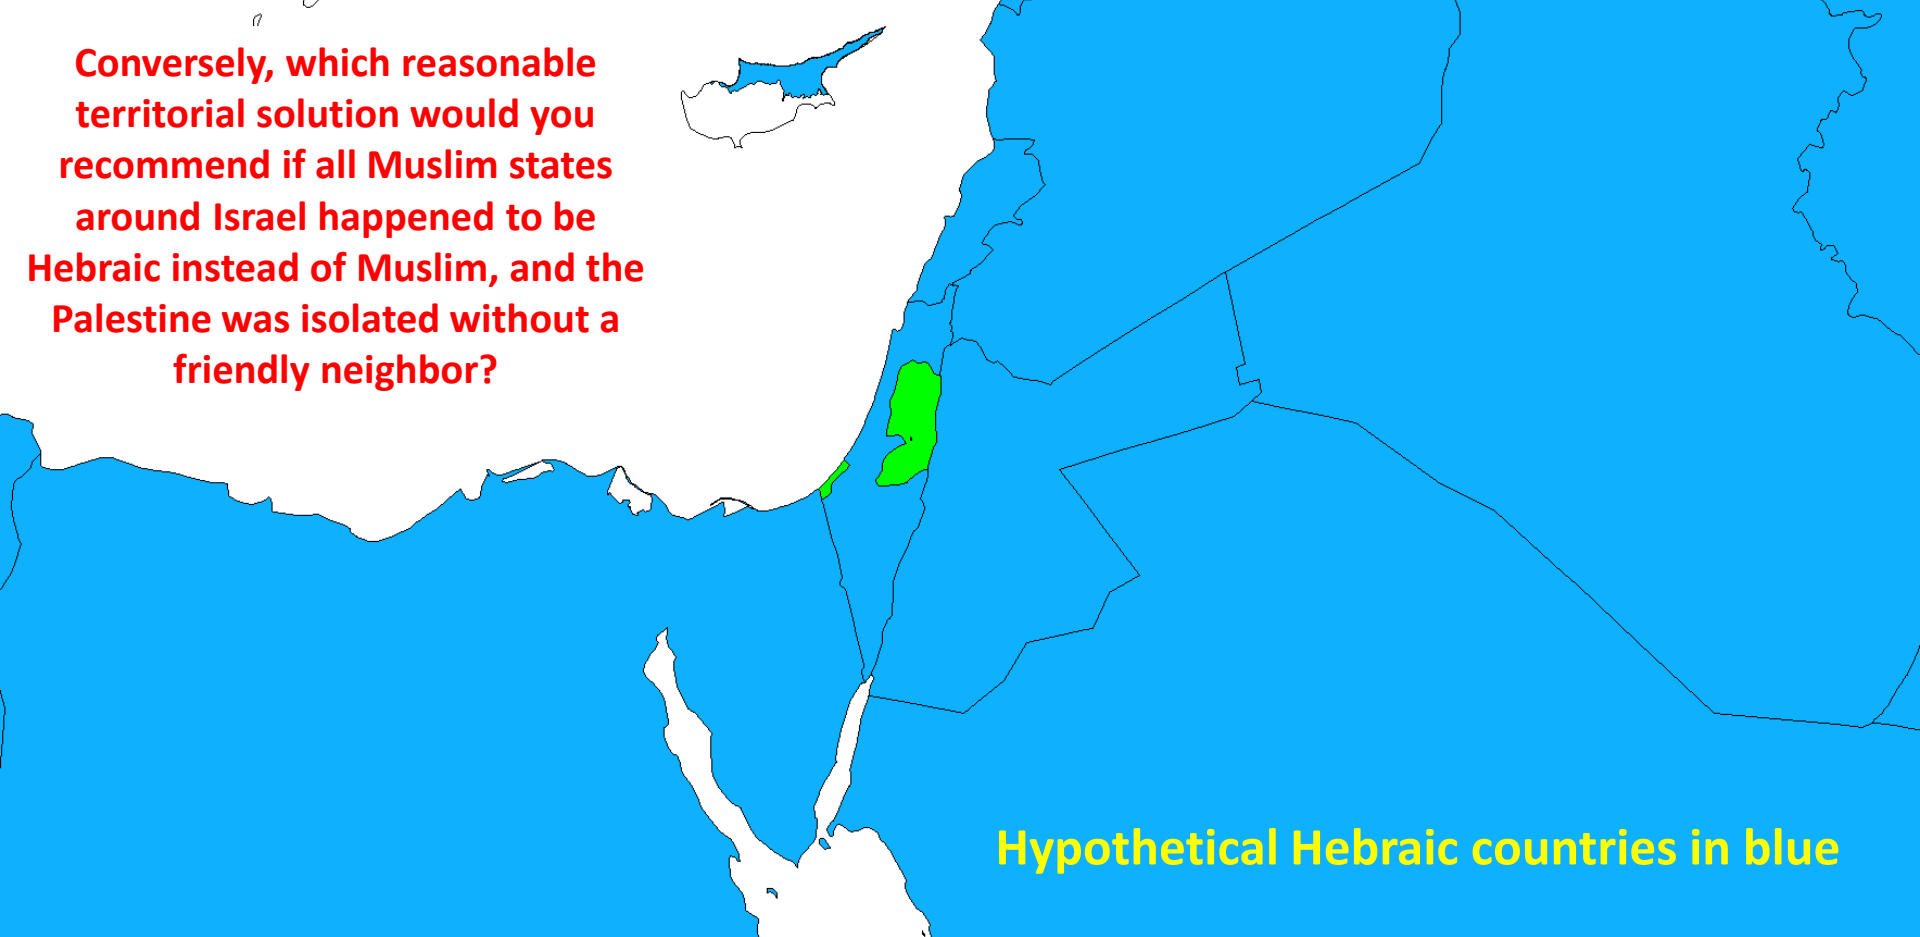

Although they may be accused of *chlorophilia* and *glaucophobia*¹, it is hereby suggested that on the contrary the Western proponents of Option C may have such sympathy for the Blue people that they are prepared to see, through mass deportation, a doubling of their Blue minorities² at home, while holding the Green people at bay.
