1	Puritans and Pilgrims came to America to flee religious persecution	✓	✗	
2	The American Revolution was about freeing the Thirteen Colonies from the tyranny of George III	✓	✗	
3	The American Civil War was about freeing the slaves, and for philanthropic reasons too	✓	✗	
4	World War II was triggered by too much appeasement	✓	✗	
5	Zionism was a very judicious project	✓	✗

7	Israel has much choice in the current Palestinian conflict	✓	✗	

Either your choices are all  or all  or even all , or there is room for some variety.
