'TRUTH.'

Donald J. Trump ✓
@realDonaldTrump

I told the European Union that they must make up their tremendous deficit with the United States by the large scale purchase of our oil and gas. Otherwise, it is TARIFFS all the way!!!

McCain¹: 'Russia is a gas station masquerading as a country'

Washington Times - Sunday, March 16, 2014

It took more than ten years for the United States of America to finally try and emulate her neighbour across the Bering Strait:

Let no Stone be Unturned: In All Things Make America First Again!

¹ The late Right Honourable Senator John McCain of Arizona
