

# Generational order

(November 2024)

In view of the necessary and long deserved Preservation of the Hallowed Blood Purity of long established genuine American settlers, it is hereby proposed that anyone with a **generational order not equal to at least 2 (two)**, be stripped forthwith of their United States of America citizenship and **deported** without delay to their countries of origin.

The generational order marks the number of generations elapsed since a subject's ancestors first arrived in what is now the territory of the United States <sup>1</sup>.
