

A short Philistine questionnaire

(October 2023)

- **Question A: on the maps below, how would you recommend the establishment of a Palestinian state?**
- **Question B: do you think the radical enmity between the yellow zone and the neighboring nations will disappear on the day a Palestinian state is established?**
- **Question C: do you think para-military operations will vanish on the day a Palestinian state is established?**
- **Question D: do you think it would be wise to heed the adage according to which advice is cheap?**
- **Question E: do you think that if an obvious and easy solution existed it would have been applied within the past 75 years of the current dispute?**

Note: this questionnaire does not presume a personal preference for one party or the other.

The inserts represent to scale the smallest state of the U.S. (Rhode Island) and the city of Paris proper, which is about 6 or 7 miles in diameter.

At three and a half miles, the width of the Gaza strip is about half the width of the city of Paris
