

Propaganda Achievements Awards

(September 2024)

Assuming that all forms of political commentary are to a certain extent mere **Propaganda** (and quite often nothing but Propaganda), one may be inclined to rate international **Propagandists** according to a number of criteria, such as (please circle your choices):

1. Credibility of published information:

0 1 2 3 4 5 6 7 8 9 10

2. Sophistication of argumentation:

0 1 2 3 4 5 6 7 8 9 10

3. Refraining from *ad hominem* attacks and defamation of personal character:

0 1 2 3 4 5 6 7 8 9 10

4. Refraining from epithets such as "evil", "virtuous", "good", or "bad" ¹:

0 1 2 3 4 5 6 7 8 9 10

5. Humor:

0 1 2 3 4 5 6 7 8 9 10

Consequently, one may elect to read or view in preference those media sporting the highest compounded score.

Without of course presuming the actual overall veracity of its content ², the laureate hereby nominated hands down is Russian media outlet **RT**. See here a sample of its recent achievements in [Category 5](#), as of September 26, 2024, at the U.S. Embassy in Moscow.

¹ Although not from tongue in cheek humoristic epithets.

² A category which is not investigated here.
