

ALIENS VISITING THE U.S.

Only Canadians can enter the U.S. visa free, although for 6 months only.

Citizens of countries in green need apply for an easy to obtain online visa, although valid for 90 days only. Citizens of countries in gray need to apply for visa through a U.S. consulate. Most visas are denied.

U.S. CITIZENS VISITING ALIEN COUNTRIES

U.S. citizens can enter any of the countries in green, either visa-free, or with instantaneous visa on arrival, or easy to obtain online visa.

Countries in gray require a visa obtained through their consulates in the U.S.
