

Scripts

(February 2023)

A. In these select countries, how many millions would you say can read the Latin script used to transliterate Western European languages?

China?	
Russia?	
India?	
The Arab World, Iran, Pakistan?	
Ethiopia?	
Armenia?	
Japan?	
Korea?	
Israel?	
Greece?	

B. In the Western World, how many millions would you say can read the following scripts?

Chinese characters?	
Cyrillic?	
Brahmic?	
Arabic?	
Amharic?	
Armenian?	
Hiragana and Katakana?	
Hangul?	
Hebrew?	
Or even Greek?	

Do you think there is a discrepancy between A and B? If so, how do you explain it?
