

Blue victims of an ingrate world

(October 2023)

- BLUE:** COUNTRIES WHERE HOMO EUROPEANUS REIGNS SUPREME, ALTHOUGH HIMSELF A NON-EXPANSIONIST
- RED:** TWO COUNTRIES WHERE HOMO EUROPEANUS HAS NEVER REIGNED SUPREME (ALTHOUGH ONE HAD TO SURRENDER UNCONDITIONALLY TO HOMO EUROPEANUS, WHO JUST TOLERATED THE OTHER)
- ORANGE:** COUNTRIES AT ONE POINT SUBJUGATED TO HOMO JAPONICUS, ALTHOUGH NEVER TO HOMO EUROPEANUS
- MAGENTA:** ALTHOUGH CALLED AN EXPANSIONIST, COUNTRY SUBJUGATED AT SOME POINT TO BOTH HOMO EUROPEANUS AND JAPONICUS
- LIGHT BLUE:** COUNTRIES UNTIL QUITE RECENTLY SUBJUGATED TO HOMO EUROPEANUS

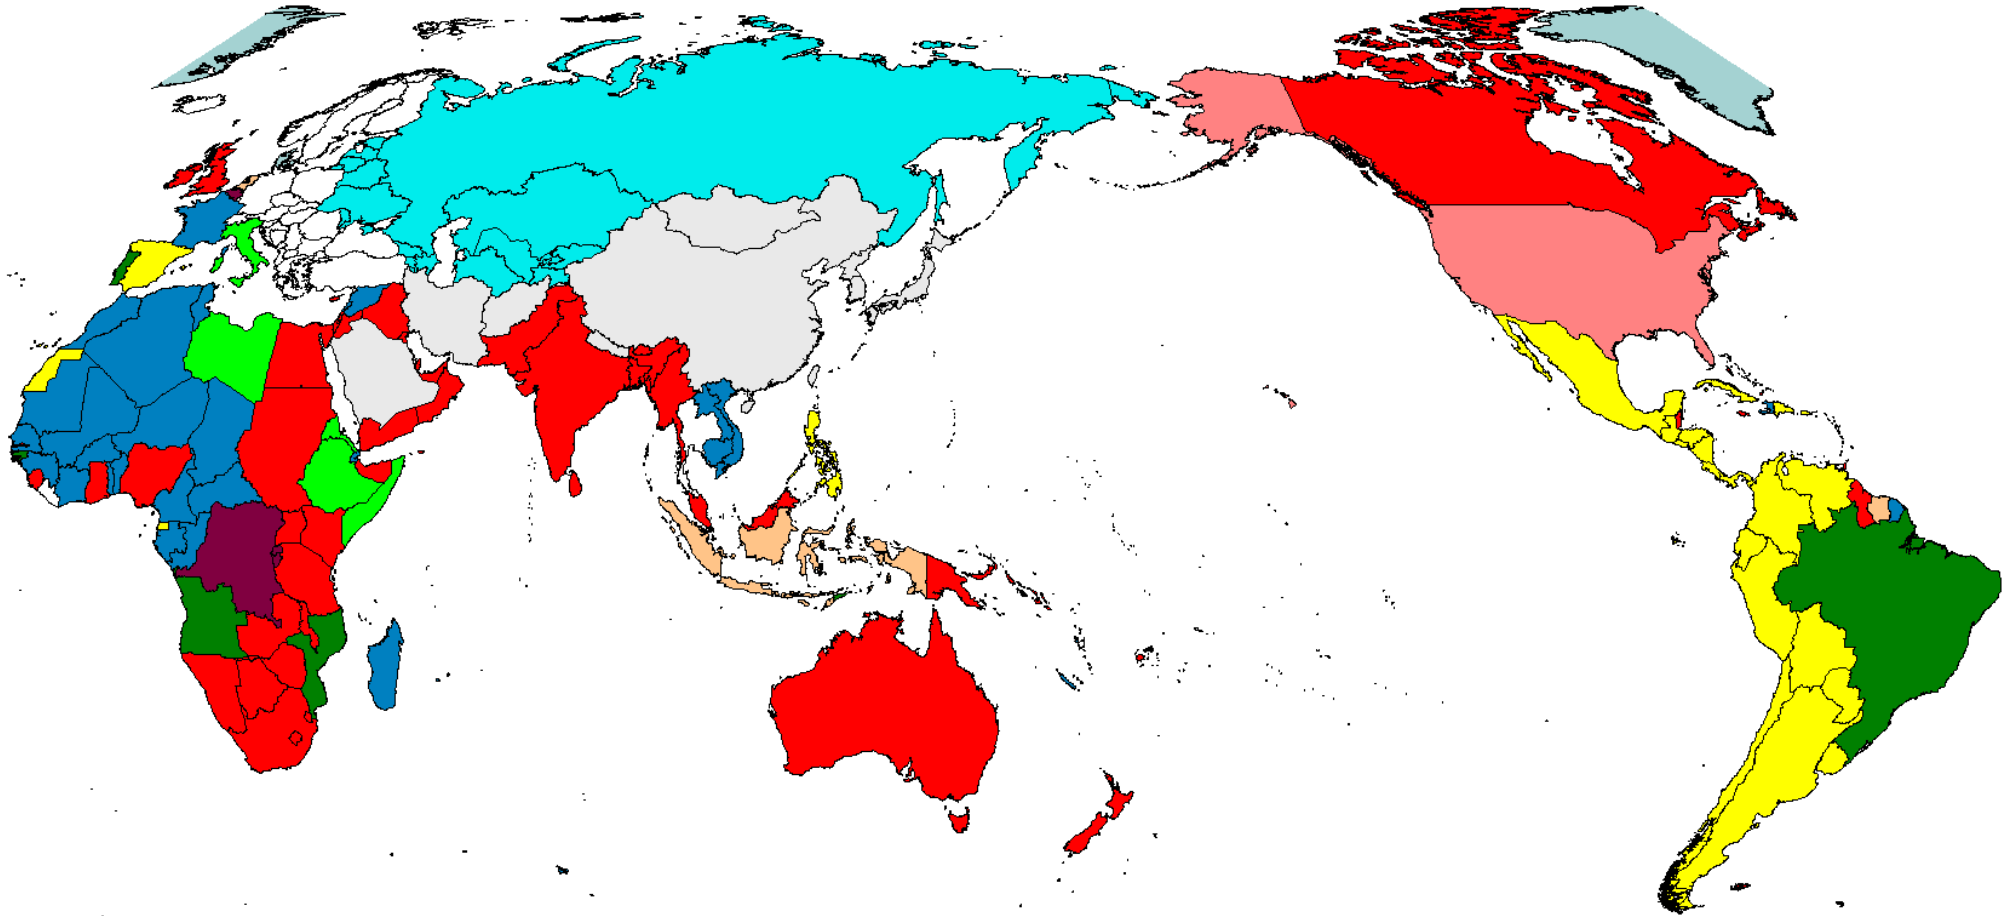

Make Homo Europeanus Great Again, or how he bitterly laments the relentless assaults against his cultural values and dominance the world over

DARK BLUE: COUNTRIES WHERE THE CULTURE OF HOMO EUROPEANUS REIGNS SUPREME, IN THE REALMS OF TECHNOLOGY, SCIENCE, TRANSPORTATION, ARCHITECTURE, THE ARTS, COMMUNICATION, MEDIA, ACADEMIA, MUSIC, LINGUISTICS, ENTERTAINMENT, LAW, ACCOUTERMENT AND FASHION, TABOOS, DIET, AMONG OTHERS.

SOME LOCAL VARIATIONS, ADDITIONS, DELETIONS, AND SUBSTITUTIONS MAY EXIST OR SUBSIST HERE AND THERE

Maximum extent of some European colonial empires

Note 1: for clarity some former European colonial empires have not been represented, for instance the German and Turkish colonial empires, of which the largest parts were transferred to the care of the British, French, and Belgian colonial empires after World War I

Note 2: the map reflects current international boundaries, which sometimes, although rarely, differ from colonial boundaries

Note 3: the grey shading denotes countries which at one point came under partial control of European or European-derived powers
