## Big Little Man, or the Contrary President in the Land of Permanent Revolution

(November 2024)

Ctrl-Left click image for a short clip 1

Policies of the incumbent Revolutionary President	Policies of the Contrary Revolutionary President	Your opinion <sup>2</sup>	Your rating <sup>3</sup>
Encourages and finances a murderous war against the world's largest nation	Would thus discourage and starve financially the murderous war against the world's largest nation		
Promotes the <u>windmills</u> that adorn the shores of the United States	Would thus ban the windmills that adorn the shores of the United States		

<sup>&</sup>lt;sup>1</sup> From Arthur Penn's 1970 film: "Little Big Man"

<sup>&</sup>lt;sup>2</sup> 1 if you think he will act contrary-wise; -1 if you think he won't; 0 if you don't know

<sup>&</sup>lt;sup>3</sup> 1 if you agree, should he act contrary-wise; -1 if you don't; 0 if no opinion

3	Rejoined the Paris Climate Accords	Would thus quit again the Paris Climate Accord
4	Re-established some large National Parks	Would thus privatize again some large National Parks and have them built into industrial ventures
5	Is intent on starting a world war against the planet's largest industrial powerhouse	Would thus preserve peace with the planet's largest industrial powerhouse
6	Discourages domestic oil and gas drilling	Would thus promote a steep increase in oil and gas production <sup>4</sup> , even at a loss, in order to cause a steep drop in prices and hurt the world's largest nation <sup>5</sup>
7	Promotes the Environmental Protection Agency	Would thus constrain and relocate the Environmental Protection Agency
8	Other policies:	Other contrary policies:
9	Other policies:	Other contrary policies:
		GRAND TOTALS:

<sup>&</sup>lt;sup>4</sup> Thus reducing U.S. limited reserves to between five and ten years of production

<sup>&</sup>lt;sup>5</sup> Whose oil and gas reserves are 30 and 60 years of production respectively
